Medically Supervised Weight-Loss Programs

At Dynamic Life Health Center, our medically supervised weight-loss programs are customized for each patient to help you lose weight in a healthy, sustainable way.

Depending on your medical history and results of the labs performed, we offer Semaglutide Injectables, Oral Prescriptions* and Sub-lingual Prescriptions.

Our medically supervised Weight-Loss Programs are administered by our highly experienced Physician Assistant, Melanie Martin, PA-C, and overseen by Dr. Lyn Berutti.

The Weight-Loss Program packages are non-refundable. After your initial consultation and assessment, you will be scheduled for follow-up appointments every 30 days for the duration of your program. The three (3) month program is valid for four (4) months from the date of initial weight-loss appointment. The six (6) month program is valid for seven (7) months from the date of initial weight-loss appointment. All services and discounts included in each Weight-Loss Program must be utilized within that Weight-loss Program duration and do not carry forward after expiration of the Weight-Loss Program.

*A pre-screening EKG may be required prior to prescribing certain oral medications. The cost of an EKG is not included in the Weight-Loss Programs, but members will receive a discounted cost of \$50 (regularly \$90).

* Weight-loss enhancing supplements that are eligible for a 10% discount and purchased in our office are: Berberine GT, Berberine ES-5, Cortisolv, Chromium Picolinate, Clear Change Detox, Ultraflora Balance or Control, HiPhenolic, L-Carnitine, Ortho Biotic, Fit Food Lean, HMB Pro, Leptin Manager, OptiFiber Lean powder or capsules and ProbioMax Lean.
